(few seconds later Raven comes out, skipping)

Old man: Look, here comes Raven!

Old woman: What? Where?

Old man: There!

## *Octopus and Raven*

(old man points at the Raven)

Old woman: He probably saw Octopus digging for food.

Old man: Is he trying to bother her? Hmmm..

Old woman: Ah, yes. But this is not a good idea. Bothering Octopus is the most stupid thing that anyone can do...

Raven: Hey, Octopus! Haven't seen you for ages!

(Octopus ignores Raven)

Raven: Octopus?

Raven: Hey, Octopus, are you digging for clams? (x3)

(Octopus ignores 3 times)

Raven: HEY. ARE .YOU. DIGGING. FOR. CLAMS?

(Octopus suddenly grabs Raven)

Octopus: Yes, I'm digging for clams, you idiot!!!

Raven: Thank you! Now let me go! Please!

Octopus: Hey, let me answer your question. Yeah, I'm digging for clams.

Raven: Okay, I heard that! Just let me go! Please!!!!

Octopus: Yeah, I'm digging for clams.

Raven: Are you a dummy?! Stop repeating! You're driving me crazy, Octopus!!! You're hyper, AGAIN????

Octopus: Yeah, I'm digging for clams. Digging for clams!!!

(Water covers both of them)

## *Octopus and Raven*

Raven(desperately): Aaaaahhhhh!!!!!! Save me!!!

Old man: Octopus can hold her breath longer than Raven.

Old woman: Well, that's a big tragedy.

(leans to old man and sob)

(Octopus leaves and Raven is drowned)

Old man: Look.

Old woman: What?

Old man: He's unconscious.

Old woman: Nooo!!!! My precious Raven!!! I should've warned him!!!!

Old man: Yeah....(sighs)

Old woman: What are we going to do?

Old man: Don't worry, he'll come back to life. Crow will help, as always.

(Old man pulls Raven and carry him to Crow.)

Old woman: Hey Crow save him.

Crow: Again?

Old woman: Yes.

Crow: Oh, my gosh. He **NEVER** learns to stop.

(Everyone leaves, except for Raven)

(Raven starts to shake, suddenly wake up)

Raven: Wow! I'm back alive!

## *Octopus and Raven*

(Raven leaves and the Old man and the woman comes out.)

Old man: Well, he's back alive.

Old woman: Honey, do you think that he'll stop bothering the Octopus?

(leans to Old man)

Old man: Are you serious?! Of course! Yes. He almost died because of her. I'm sure that it'll be a long time before he goes back to the shore to disturb Octopus.

Old woman: *And* never ask another question to her.

(2 old people leave, Raven and Octopus comes out)

Raven(to himself): Yeah. and now I'm too scared to even go near her.

Octopus (Quietly, Smiling): Sure, that's really true. Privacy, finally, at last.....
